This Week's Highlights

- In Nursery we have been talking about and writing about our wishes to put in our wishing well that was sent by Isabella from our story.
- In Reception we have continued to enjoy the story of Jack and the Beanstalk, adapting the story by adding new characters and settings. We have been observing our own beans that we planted last week and we mixed our own shades of green to paint some green vegetables. We have also been adding, subtracting and doubling our magic beans.
- Year 1 have worked hard this week continuing our topic work all about animals. We looked at how polar bears are adapted to suit their cold habitat and how animals can be carnivores, herbivores or omnivores.
- Year 2 have enjoyed learning about Mehndi patterns and the use of henna to create them. They enjoyed experimenting with viewfinders to find their favourite part of different patterns and then trying to create this in their sketch books.
- Y3RH's Literacy group have had a wonderful week writing poems. They have produced their own Haiku's, Kennings and Limericks.
- Year 3 have been learning all about the life and work of Brazilian artist Romero Britto. They have been inspired by his work and produced super art work using his style.
- Y4 Thanks to all the parents who came into school. It was lovely to see you all. Thanks for all of your lovely comments.
- Year 5 have worked so hard this week planning their fantastic adventure stories inspired by the story of Dragon Slayer.

What's Coming Up Next Week (and beyond)?

- Please remember Y3RH and Y5EH are swimming every Tuesday this half term.
- Year 5 will be completing their Ancient Greek inspired Papier-mâché pots that they have been working incredibly hard on over the half term.

In Other News...

Tomorrow many of our school staff are climbing Snowdon as part of our fundraising for our 'Adventure for Alex'. We wish them good weather, lots of energy and much success.

Our next fundraising event is on Thursday 4th April when we will be having our whole school Easter Bingo day. We invite all the children to come to school wearing green (or non uniform) for a donation of £1 and they will all enjoy playing bingo during the day. Lots of prizes! More information to follow.

Ofsted Inspection

Thank you to all our pupils and families for your support during the recent inspection. It has been a very busy week for staff and I would like to thank them all for their time and dedication. The inspection report will be published by Ofsted in around 5 weeks.

Maths Challenge

This week we would love to hear your children talking about ordering by length. Try finding 4 different sized shoes in your house and put them in order of size. What else can you find to order by length?

Problem of the Week

Lily has two boxes of chocolates.

She eats 3 chocolates each day for 5 days.

How many chocolates are in the box after 5 days?

For a chance to win a fabulous maths puzzle, post the completed problem in the box in the foyer

Sports News

Fantastic news – The KS2 New Age Kurling team won BRONZE medals in a tournament this week. They were fantastic.
