

# Allanson Street News

## This Week's Highlights

- In Nursery this week we have been able to release the butterflies that we have been caring for since they were caterpillars. The children were also able to explore caring for animals when we had a visit from 2 rabbits.
- Reception have been exploring the Easter Story. We have learned about how Christians celebrate Easter, made bubble print Easter cards and even sampled some hot cross buns!
- Year 1 have had a lovely week completing Easter craft activities and finding out about the Easter story.
- Year 2 have thoroughly enjoyed playing Easter bingo this week and learning about the true meaning of Easter. The children had a lovely time using the nature around them on our school field to sketch and collect inspiration for their own Easter egg designs.
- Year 3 are still learning all about Brazil. They have created some amazing portraits in the style of Romero Britto, who was a Brazilian artist and they have learned all about the different layers of a rainforest.
- Y4 have produced fabulous artwork linked to science work.
- In Year 6 this week, we have been working very hard in preparation for our SATs (WC13.05.19) but have also really enjoyed some lovely Easter activities.
- Our Year 5/6 Dodgeball Team came 4<sup>th</sup> in a competition this week. This is an amazing result.
- Our Year 6 boys football team also came 4<sup>th</sup> in a tournament. Well Done to all involved.

## What's coming up after the holiday (and beyond)?

- Y3JG and Y5KK are starting their final swimming block for this year when we return. Please make sure children have their swimming costumes, towel and bag ready for Tuesday when we return (and every other Tuesday for the half-term).
- Y3 children – please have a fabulous break with your loved ones but remember to read lots and to also practise learning your times tables using all the games we have showed you in class.
- Y4 children should enjoy their holiday reading and playing in the fresh air and hopefully sunshine. Come back to school fully rested and refreshed.

## Dates for your diary

- 23.4.19 **School Opens for the summer term**
- 23.4.19 3:30-4:30pm Fit4All sign on session (Thompson Centre)

- 24.4.19 – Year 5/6 Football with Coach Ellis
- 25.4.19 Year 1 and Year 2 Trip to Chester Zoo
- KS1 Thriller Dance with Lucy
- 26.4.19 Year 5/6 Girls Netball with Mrs Farnell

## **In Other News...**

A big thank you to everyone who has supported our fundraising this term. The Easter Bingo event yesterday was a great success all across school and the evening event was a lot of fun for everyone. Thank you to The Friends of Allanson Street for organising the bingo events and for all their enthusiasm throughout the term. Early next term we will give you an update on how much we have raised in total for our 'Adventure for Alex' play area that will be built on the field during the summer term.

**School Council-We want your Easter cards and Easter egg boxes!**

We have been nominated to take part in an Easter recycling programme.

Please send your Easter cards and Easter egg boxes to school to be recycling. The school with the most recycled waste will win £500!

## This week's Stars!!

**Nursery:** Ethan F, Amelia Mc, Riley F, Logan D  
**RRG:** Lola A & Jacob W **RJT:** Alex S & Skyla B  
**Attendance Winners** – RRG 98%

### Medal Winners

**Year 1:** Kyle D, Nicholas S, Jessica L, Mia T

**Year 4:** Bethany G, Charlie T, Rebecca A, James A

**Year 2:** Daniel B, Logan K, Dillan O, Kamel HK.

**Year 5:** Harry A-G, Olivia M, Ferdinand O and Lilli B

**Year 3:** Keira-Grace F, Maisie L

**Year 6:** Alfie J, Tyler M

### Attendance Winners

KS1 – Mrs McLoughlin's Class – 99%

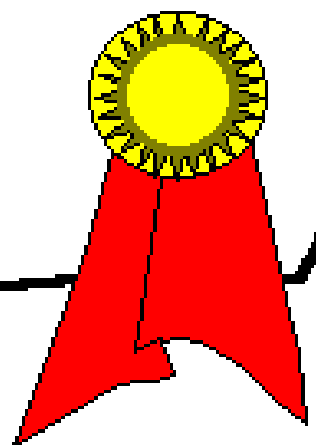

KS2 – Mr Garry's Class – 99%

### Maths Whizz Progression Champion

Cohen W Y4DB/GL

### Reading Plus Champion

Marina K Y6LD

## This Week's Learning at Home

### Word of the Week

Nursery – protect  
Reception - miracle  
Year 1 - Easter  
Year 2 – inspiration

Year 3 - jubilant  
Year 4 - Carnival  
Year 5 – relevant  
Year 6 - gawped

### Maths Challenge

This week we'd love all of our children to practise halving numbers and shapes. Some of our children (especially those in EYFS and KS1) might really benefit from seeing what doubling and halving looks like. This could be done by halving quantities of sweets / coins etc or objects such as cutting up fruit / sandwiches etc.

### Problem of the Week

Work out the value of each symbol.

$$\heartsuit + \heartsuit = 18$$

$$\heartsuit + \blacktriangle = 20$$

$$\blacktriangle + \odot = \blacktriangle$$

For a chance to win a fabulous maths puzzle, post the completed problem in the box in the foyer

### Sports News

A huge Well Done to Olivia (Y1) and Isabella (Y4) who both recently achieved a 'Merit' in their Grade 1 Tap examination. We are very proud of the girls.

An important letter came home this week off Lucy for all Thriller Dance children. This is about the showcase so please read it carefully.
