

Allanson Street News

This Week's Highlights

- In Nursery, we have been decorating bird houses and creating stories using our story cubes.
- In Reception, we have been reading the story 'Mole & the Baby Bird', taking part in The Best Nest competition and creating pompom birds!
- Year 1 would like to thank all the parents who came to our phonics screening meeting on Monday, the children have been working hard using their sounds to read a range of different real and alien words.
- Year 2 have had a well deserved treat day after all of their recent hard work and enjoyed cake decorating, crafts, iPad time, toys and much more! They have also had lots of fun designing and creating their own worlds of food!
- Year 3 & 5: Mr Garry and Miss Kellett's classes finished their final swimming block for the year and all of the children have demonstrated progress-well done!
- We are so proud of all the KS1 and KS2 children who took part in the St Helens Youth Dance Festival at the Theatre Royal this week. They danced with such energy and enthusiasm. Well done everyone involved and thank-you parents for getting them there and back each evening.
- Year 4 would like to thank all the parents who asked for information and were able to attend the times tables meeting. We appreciate your continued support and hope you and your children find the resources useful.
- In Year 6, we have thoroughly enjoyed the beginning of our 'Sing for Songbirds' project, including a trip to Chester Zoo, and our first rehearsals for our upcoming production.

What's Coming Up Next Week (and beyond)?

- Mrs Hawkins and Miss Halligan's classes will start their final block of swimming on the first Tuesday back. Please remember kits.
- Year 5 will be taking part in a 'Why work?' workshop on Monday 3rd June, with Year 6 taking part in their own session on Tuesday 4th June.

This Week's Learning at Home

Word of the Week

Nursery - endangered Year 3- tumble down (a structure in disrepair)

Reception - freedom Year 4 – Calamity

Year 1 - distance Year 5 - assured

Year 2 - explore Year 6 - Classify

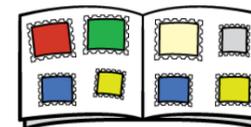

Maths Challenge

This week, we'd love you to help your child to develop their understanding of money (and not just spending yours!). This could involve identifying the value of different coins, finding the total cost of 2 items, calculating change or even working out the saving if a discount is applied. Make sure your child shares their learning at home with their teacher to earn dojos / YBS tickets.

Problem of the Week

For a chance to win a fabulous maths puzzle, post the completed problem in the box in the foyer.

Fred sells stamps.

On Monday he sold 25 stamps.

On Tuesday he sold 15 more stamps than he did on Monday.

How many stamps did he sell altogether?

Sports News

If anyone has any school tournament kit at home then please return to Mrs Hawkins after the holidays. We are missing lots of shorts, tops and socks and have a number of tournaments coming up
