This Week's Highlights

- In Nursery we have been trying to discover who was whispering to Isabella in the garden (the character in our story) We have listened to sounds that garden creatures make and read poems to find out new information.
- Reception have had tremendous fun this week retelling the story of Jack and the Beanstalk, counting with the giants gold coins and planting their very own beans!
- Year 1 have had a great time this week learning all about the different animal groups and have been able to explain the features of each group! We have also had a special visit from some different animals this Friday, the children loved seeing different types of animals up close and seeing if they could identify which animal group they belonged to!
- Year 2 have enjoyed learning about the different jobs people who live in the small Indian village of Chembakoli do. We debated about whether we would prefer to be tea pickers, honey collectors or auto-rickshaw drivers!
- Year 3 have launched their 'Brazil' topic and seem very keen with what is to come. They also went to Liverpool World Museum as a landing event for the 'Ancient Egypt' topic. A great day was had and we learned lots more about Ancient Egypt.
- Y4 have been studying living things and how to read and construct keys.
- In Geography, Year 5 have been focusing on locating Greece on a map and discussing its physical features.
- Lots of children in Year 6 have worked hard this week - during lunch times, after school and at home - to create pieces of art to enter into the St.Helens Youth Open Art Awards. We wish them all the very best of luck!
