

School response if a child displays symptoms during school time.

Positive Test Result: The child and any siblings must complete the compulsory 14 days self-isolation from the date of the test.

The rest of the bubble will close and all pupils in this bubble will need to undertake 14 days of compulsory self-isolation. If children develop symptoms in this time, they must be tested. School must be informed of the test outcome.

If a result is received at the weekend, families must inform school by 9am on the Monday morning.

Positive Test

Negative Test

Negative Test Result:
The child must complete the compulsory 10 days self-isolation.
The rest of the bubble can attend school as usual.

What if my child displays symptoms at home?

Isolate your child where possible.

Do not allow your child to attend school or other public places.

Mandatory 10 days of self-isolation.

Inform school if your child is displaying symptoms.

Test **MUST** be arranged and must take place.

All families must engage with the Test and Trace process.

Parents **MUST** inform school of test outcome immediately.

Negative Test Result:

The child must complete the compulsory 10 days self-isolation.

The rest of the bubble can remain in school.

Positive Test Result: The child must complete the compulsory 14 days self-isolation from the date of the test.

The rest of the bubble will close and all pupils in this bubble will need to undertake 14 days of compulsory self-isolation. If children develop symptoms in this time, they must be tested. School must be informed of the test outcome. If a result is received on a weekend, families must inform school by 9am on the Monday morning.

What if I am contacted by NHS Test and Trace?

Follow all instructions
from the NHS Test
and Trace advisor

Inform school
immediately

If you are contacted on a weekend, inform school by 9am on the Monday morning.
