

Allanson Street News

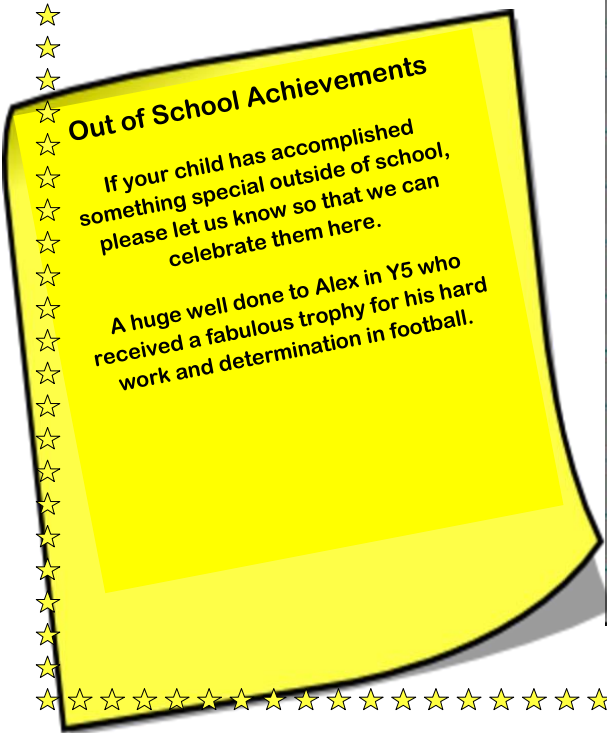

This Week's Highlights

- Nursery children have been learning the story of "Rosie's Walk", they particularly enjoyed the part when the cunning fox pounces and then is struck by disaster; including being chased by bees! This has led to us to begin to learn about the importance of bees.
- Reception children have been learning the story The Pirate's Next Door. We have had lots of fun retelling the story and asking then characters lots of questions. We have also started our new project which we will be doing over the next few weeks – designing an island for the pirates.
- Year 1 have been writing all about plants this week to create their own information booklets. They have also been using balance and measuring scales to weigh different objects. Well done, too, to all the children who received DOJOS and prizes for our half-term Numbots challenge!
- Year 2 have been learning all about the column method for addition and subtraction in maths this week. We have been so impressed with how quickly they have picked up this new method! We have also had lots of fun designing our own magic lands based on the story "The Magic Faraway Tree".
- Year 3 have worked so hard over the last few days when completing their writing assessments about a haunted house. They have also conducted an investigation on soil, started their work on the Great Plague and had a go at some athletics in PE!
- Year 4 have enjoyed finding out about different types of volcano this week and the famous volcano, Mount Vesuvius, in particular, studying the devastating impact of its eruption on the city of Pompeii. We have also been working hard to develop our first aid skills and find out what to do in the case of an emergency/vital information to give during a 999 call.
- Year 5 have completed some interesting recounts about what they did during their half term holidays. It was lovely finding out about all the fun they have had. In maths, we have been focussing on decimals and all the children have shown great resilience throughout the week. We have been very impressed with how mature all the children have been during our RSE lessons this week too.
- Year 6 have continued with their learning in SRE. All children were mature and asked really relevant and interesting questions. We've also been practising for our production and we've been blown away by the talents of our children.

Dates for your diary

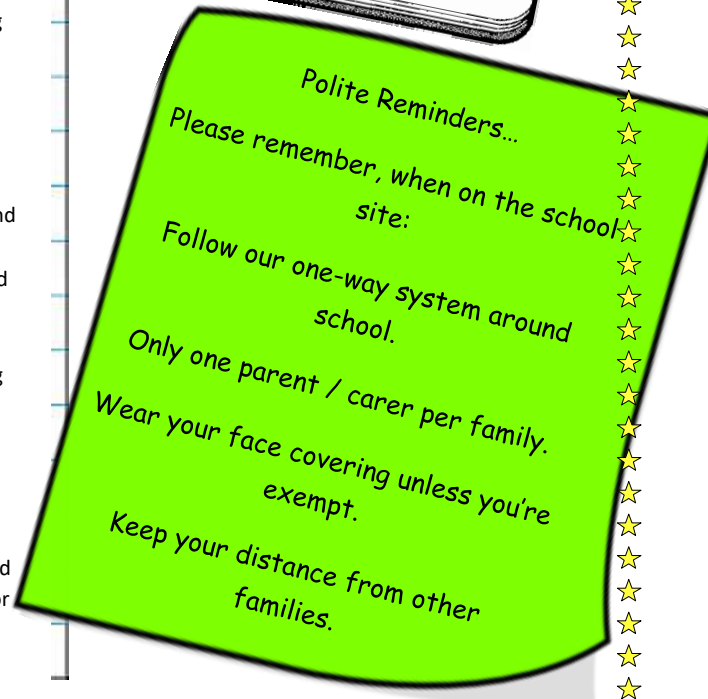

- w/c 28th June: Year 6 trip week
- 1st July - Year 5 trip to Gulliver's World
- 9th July – Year 3 trip to Farmer Teds
- 15th July – Year 4 trip to Knowlsey Safari Park

Out of School Achievements

If your child has accomplished something special outside of school, please let us know so that we can celebrate them here.

A huge well done to Alex in Y5 who received a fabulous trophy for his hard work and determination in football.

Polite Reminders...

Please remember, when on the school site:

Follow our one-way system around school.

Only one parent / carer per family.

Wear your face covering unless you're exempt.

Keep your distance from other families.

This Week's Value Stars!!

Nursery: Filip B, Adam S, Abigail K + Laylah F

RRG: Emilie J, Isabelle H

RKI: Grace P, Kaleb V

Year 1: Scarlett L,
Cole D, John, Kaya

Year 4: Madison N,
Alfie M, Ethan Ws,
Antonia B.

Year 2: Skyla B,
Sophia W

Year 5: Harley L, Keira
FG, Lacey M, Nathan
SC

Year 3: Gracie P,
Elliott H

Year 6: Lexie-Louise
O, Kaiden CL, Lewis
H, Charlie B

Attendance Winners

Early Years -

KS1 -

LKS2 -

UKS2 -

This Week's Learning at Home

Word of the Week

Nursery - cunning

Reception - Neighbours

Year 1 - inspiration

Year 2 - exchange

Year 3 - abandoned

Year 4 - empire

Year 5 - solution

Year 6 - vengeance

Problem of the Week

Who will win this week's challenge? Please DOJO your child's class teacher with answers!

1. Will is driving 412 miles to the beach. He stopped at a rest stop after driving 148 miles. How many miles does he have left to drive?

2. Mark needed 24 cans of soda for his pool party. The soda cans come in packs of 6. How many packs does Mark need to buy?

3. Ken is having a BBQ! He made 37 hot dogs and 26 hamburgers. How many hot dogs and hamburgers did Ken make altogether?

4. Daisy counted 7 starfish on the beach. Each starfish has 5 legs. How many starfish legs did Daisy see on the beach?
