

# Allanson Street News

Our value this month  
is  
**Resilience**  
and our skill is  
**Staying Positive**

If you are not willing to learn,  
no one can help you.  
If you are determined  
to learn,  
no one can stop you.

## This Week's Highlights

In **Nursery** we enjoyed fantastic trips to New Brighton – much excitement as we travelled through the tunnel under the River Mersey. We explored the fairy houses in Vale Park before enjoying some fun on the beach and pirate ship art installation. The children's behaviour was exemplary, we are so proud!

This week in **Reception**, the children (and staff) enjoyed a fun filled day in New Brighton. We explored the fairy gardens, played in the sand and experienced walking in the sea! As always, the children stepped up by behaving amazingly throughout the whole day. This week, we have also been comparing similarities and differences of New Brighton now and in the past.

This week **Year 1** have been inspired by the artist William Morris to create their own prints. In maths, the children have been introduced to time, and are able to read o'clock times independently!

**Year 2** had the most amazing day at Blackpool Tower this week! They all showed such courage at the top of the Tower and were able to apply their geography knowledge as they spotted the promenade, the piers, the coast line, etc. They then enjoyed a very cultured lunch time in the Tower Ballroom!

**Year 3** have blown us away with how hard they have worked during assessment week! They have also demonstrated real maturity as we started on our growing and changing unit of work in PSHE, thinking about personal space, safe secrets and appropriate touch.

This week **Year 4** have been working extremely hard on their final assessments of the year. All the staff in Year 4 are extremely proud of each child for being the best they can be and showing resilience throughout the week. We have also continued learning about Anglo-Saxons, particularly focussing on their lifestyle in comparison to ours, as well as commencing our new science topic, 'States of Matter'.

This week, **Year 5** have given their best efforts during their assessments. They have also enjoyed looking at Egyptian artwork and are in the process of coming up with their own masterpiece on papyrus! The children had a fun filled day at Gulliver's World, it was lovely to see them enjoying every minute and we are extremely proud of each and every one of them, their conduct was impeccable.

This week in **Year 6**, we have undertaken sex and relationships education. Each and every child did this with maturity and respect for each other. Please ask your child what they have learned and I'm sure they will relay it to you sensibly.

## Dates for your diary

- 29<sup>th</sup> June – Y6 Class Photos
- WC 4<sup>th</sup> July:**  
Y6 transition days
- 7<sup>th</sup> July – Y1 trip to Walton Gardens
