2nd February 2024

Our value this month is:

Integrity

Reading

Please make sure you listen to your child read at least 3 times a week and record this in their reading records.

For those children not yet bringing a reading book home, please make sure you are reading to them as frequently as possible.

This Week's Highlights

In **Nursery** we have focused our learning on the story "We're going on a Bear Hunt". The children have recounted the story by reading the story map and using actions to help them to remember the sequence. The children talked about their bedtime routine, thinking about what they did first, next etc and considered what the bear from the story may do. They listened to 2 pieces of music and discussed why they may be suitable to help the bear to go back to sleep, deciding on 'Brahm's lullaby'.

In **Reception** we have been visited by two aliens who had crashed landed in our classroom!! We talked about where they might have come from and learned about Neil Armstrong and his mission to the moon. We practised our skill of collaging by collaging our own planets for the aliens. In Maths we looked at weighing items and seeing whether they are heavier or lighters depending on whether the scale went up or down. Then we practised balancing different items using cubes.

In **Year 1** we have used our map skills to plot a journey across Antarctica in Geography. In English, we have used our knowledge of polar bears to create a fact sheet to provide information for a zoo. In maths we have been using our knowledge of the numbers to 20 to answer a range of questions. We had so much fun in art, exploring water colours and creating textures to provide a background for our collages.

This week **Year 2** enjoyed making our very own healthy drinks! We used the bridge and claw holds to carefully cut up the fruit we selected and then blended it together with our other chosen ingredients. They tasted delicious! We have also started a new topic in maths learning all about multiplication and division.

In **Year 3** we have started a new science topic, all about humans and animals. This week, we were thinking about the different food groups such as carbohydrates and protein, and why they all play an important part in our diet. We are whizzing through our multiplication unit in maths, practicing our 4 and 8x tables this week!

In **Year 4** we have enjoyed a fantastic trip to Chester where we learned lots of interesting information about the Romans and how they founded the city. We have also been working hard in Science to develop our knowledge of the digestive system and in English we are writing a diary entry in role as a survivor of the deadly Pompeii earthquake!

In **Year 5**, we have consolidated our understanding of fractions and are enjoying our new multiplication unit. In English, the children have really enjoyed reading the text Cosmic and are loving how the author has added humour. The children have had a fantastic end to the week enjoying a range of activities planned for number day.

Year 6: We have really enjoyed completing the maths activities for number day and shown that we can work well as a team to face a challenge. We sketched out our final design plans for our mythological sculptures in art and composed our own pieces of music.

Reminders

Please make sure your child is wearing the correct school uniform. Complete the guidance can be found on the school website. If you have any questions regarding uniform, please speak to your child's class teacher.

Remember that we have plenty of pre-loved uniform in our Unicycle centre. If you'd like to access this service, please contact Mrs Browne or Mrs Tyrer via Class Dojos.

★ This Week's Value Stars!! ★

Nursery: Archie, Olivia, Tilly & Macie	Reception: Niamh A, Zara M, Bobby, Harley
Year 1: Ollie, Alister, Lyanna, George C	Year 4: Ozan K, Mason P, Lucy M, Chloe W
Year 2: Amber F, Lincoln D, Ishat FR, Gracie-Mae S	Year 5: Matteo, Skye, Drake, Freya
Year 3: Oakley J, Joeshan S, Hubert D, Krysta H	Year 6:

Attendance

Early Years –	Nursery am 87.5%	Nursery pm 84.2%
	RKL 96.9%	RMC 94.1%
KS1 –	Y1CS 95.3%	Y1TE 94%
	Y2GW 93.3%	Y2LB 91.3%
LKS2 –	Y3LA 98.5%	Y3LC 94.8%
	Y4MC 94.3%	Y4MM 98%
UKS2 –	Y5EK 96%	Y5NO 95.1%
	Y6JM 97%	Y6KK 95%

School Target:
96%

(This week's winners are highlighted in yellow)

This Week's Learning at Home

Word of the Week:

Nursery – order	Year 3 – carbohydrate
Reception – collage	Year 4 – empire
Year 1 – expedition	Year 5 – deprived
Year 2 – orchestra	Year 6 – allegedly

Weekly Winners

Numbots. Nursery - Year 2: How many coins can you earn?

The highest number earned over the week will get 3 dojos. **Last week's winner= Arthur W, Y1**

Mathswhizz. Years 2-6: The class with the most time spent on MathsWhizz that week will get 3 dojos each. **Last week's winners= Y5NO**

Times Tables

Rockstars.

Years 3-6: Here are your group battles where the winning classes of these battles get 3 dojos each.

Last week's winners were = Y4

Next week's battles...

To be continued...
