## This Week's Highlights

- Reception have been busy making preparations for their Mother's Day celebrations. They have been learning some songs, planting some flowers and using oil pastels to creating a smudge drawing of flowers.
- Year 2 have been writing reports all about their favourite jungle animals this week. We have learned lots of interesting facts and new vocabulary!
- Year 1 have been learning all about their senses this week. Thinking about how we use them in the world and comparing how we use each sense to how a polar bear needs to use them! Thank you to all the adults who attended our mother's day afternoon the children really enjoyed making their crafts with you.
- Year 3 have had a fabulous time taking part in a Capoeira workshop this week, which links to our Brazil topic. Thanks to the families who stayed for the workshop after school. We hope you enjoyed it!
- We are so proud of our Year 3 /4 Athletics Team who came 4<sup>th</sup> in a tournament this week. They were absolutely fantastic. A special mention to Lewis H in Y4NO who threw the javelin a remarkable distance.
- Well Done to the Year 4 Football team who played with great skill in a tournament this week.
- Year four have been studying food chains and feeding relationships in science.
- Year 5 loved our puzzle session this week and discovered lots of new ways to use our problem solving skills.

## What's Coming Up Next Week (and beyond)?

- Y3RH and Y5EH are swimming for the last time next week. We have our Year 6 Football Team competing in a tournament, as well as the Year 5/6 Dodgeball Team. Good Luck to all involved. Year four will be studying habitats in science. Can parents please encourage their children to access [mathsframe.co.uk](http://mathsframe.co.uk) to practise their times tables in preparation for the end of year test.

## **In Other News...**

A huge 'well done' to all the staff who completed a successful climb up Mount Snowdon to raise funds towards our 'Adventure for Alex'. They all made it back in one piece but with a lot of sore legs (and some funny walks!). Our Just Giving total is currently at £1670 so thank you to everyone for those donations! We will update the final total once all sponsor money has been collected.

On Thursday 4th April we will be holding our next fundraising event towards our 'Adventure for Alex' play area. We invite all the children to come to school dressed in green (or non uniform) and during the day they will all play bingo for a variety of Easter egg prizes. We ask for a donation of £1 (or more!). Thank you for your support.

## This Week's Learning at Home

### Word of the Week

Nursery – Easter

Year 3 - callous

Reception - unfortunately

Year 4 - producer

Year 1 - senses

Year 5 – renovate

Year 2 – camouflage

Year 6 - desolate

### Maths Challenge

This week, we have all thoroughly enjoyed exploring our new Maths games and puzzles. The challenge for this week is to continue with this at home. Do you have a pack of playing cards? Try a game of snap or pairs with your family and talk about the numbers as you go. You could try creating your own jigsaw puzzle by cutting up the pictures in an old magazine. Or even just play one of your board games. Have fun!

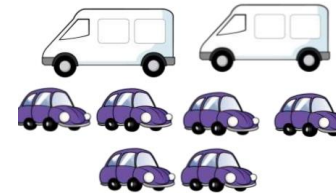

### Problem of the Week

62 people are going to a football game.

They can travel in a bus or car.

- A car can hold 5 people.
- A bus can hold 15 people.

They plan to use 6 cars and 2 buses.

Can they all travel to the game?

For a chance to win a fabulous maths puzzle, post the completed problem in the box in the foyer

### Sports News

Some sports clubs on offer next half term will be different to this half term. Please look out for letters about these. Thriller Dance Club children will bring home an important letter next week regarding the showcase at the Theatre Royal in May.

Well Done to Maise L (Y4) who achieved a certificate at St Helen's Gymnastics Centre for being able to perform an Arabesque on a beam. What an achievement!!
