## This Week's Highlights

- In Nursery we celebrated Pancake day, mixing the batter and watching how they changed when cooked and then added tasty treats on top before eating them.
- Year 3 have worked ever so hard on their assessments this week and have also thoroughly enjoyed all of the activities they have carried out relating to the book 'The Queens Hat'.
- Y4 have been completing their assessment tasks and project work involving a short study of London.
- At the end of last week, Year 5 had a fabulous time hunting down Greek inspired art in the Walker Art Gallery and sketching the skyline at the Albert Dock.
- In Year 6, we have certainly had an action-packed week! From continuing with our learning about London to reading Romeo and Juliet and even making fabulous Revolting Rhyme inspired hats. Thank you so much to all of our wonderful parents / carers who came in to work with us this week. We had so much fun with you and our hats look great!
- The children looked amazing arriving at school today dressed for World Book Day. Thank you to everyone for the huge effort. Thank you also to all the families who supported the hat making activities and the visit from the Book Bus. It has been a busy couple of weeks.

## What's Coming Up Next Week (and beyond)?

- Please remember Y3RH and Y5EH are swimming every Tuesday this half term.
- In Year 5, we will begin reading The Firework Maker's Daughter as we start working on stories from other cultures.
- In Year 6, we will be carrying on with our SATs preparation. Please encourage your child to use Reading Plus and MathsWhizz and to complete their revision tasks at home.
- Year 3 /4 Girls Football Team are playing in a tournament on Monday and we have some children from Year 5 playing in a Kurling tournament on Friday.
- Y4 will start on a new science topic 'Living Things'.

## **In Other News...**

Most of our Year 6 children have taken home new maths tutoring letters this week. Please check your child's school bag to ensure that the letter is signed and returned on Monday.

Whole School Attendance is currently 95.18%. Please help us to reach the target of 96%. There is new learning in school every day so every day really does matter for your child. Thanks.

## **Great News!**

Last night one of our bus children found a winning Golden Ticket on the school bus. The winning ticket is worth £1500 in books for our school so we look forward to receiving a lot of lovely new books.

## This Week's Learning at Home

### Word of the Week

Nursery – secret

Reception - landmark

Year 1 - adaptation

Year 2 – tropical

Year 3 - aghast

Year 4 - technology

Year 5 – debt

Year 6 - dispute

### Maths Challenge

This week we would love to hear your children talking about the time of day. Try telling your child what time it is when they wake up in the morning, when they leave the house for school and when they are eating their evening meal. It would be even better if you could show them the clock as you tell them the time.

If your child is already able to read time on an analogue clock, perhaps challenge them to work out how long activities have taken them or even what time it will be when they arrive at school if it takes 15 minutes to walk there.

### Problem of the Week

For every £1 coin Brooke has, she has three 5p coins.

Brooke has five £1 coins.

How much money does Brooke have?

For a chance to win a fabulous maths puzzle, post the completed problem in the box in the foyer
