

Allanson Street News

Next week, our value is respect.

This Week's Highlights

- In Nursery this week, we talked about celebrating Halloween and Bonfire Night. The children wore brightly coloured clothes for our Bonfire celebration, made chocolate apples, a 'safe' sparkler, and had a rocket flying competition.
- In Reception we have been listening to the story Stick Man and his big adventure. We used sticks to paint fantastic firework pictures.
- Year 2 have loved their week of Bonfire activities. The children followed instructions to make their own chocolate sparklers and produced some fabulous art-work based on a famous painting by Van Gogh.
- Year 3 children became light investigators and hunted for sources of light all around school.
- Year 4 have enjoyed creating their own World War 2 blitz scene paintings. There are some amazing pieces of artwork ready to display.
- Year 5 have been reading a traditional poem called 'The Highway Man'. It is an old poem, so we have been looking at the very different vocabulary used. Ask us what new language we have learned!

What's Coming Up Next Week?

- Next week is assessment week for children in Years 1, 2, 4, 5 and 6. These assessments are absolutely nothing for our children to worry about, they simply help us to measure progress and spot gaps in learning so that we can ensure all of our children reach their full potential.
- Next week is Anti-Bullying Week. Children across the school will be undertaking activities which promote kindness and empower children to make their views on bullying be heard.
- On Monday we will be holding a Remembrance assembly to give children the opportunity to show respect for those who have fought for their country.

Dates for your diary

HOMEWORK HELPERS

Thank you to those Y6 parents who attended the maths workshop on Thursday. It was a real pleasure to work with you.

Next week, we'll be sending home a list of 'Homework Helper' sessions that will be available to all parents throughout the school year.

MATHS AMBASSADORS

A huge congratulations to our newly appointed maths ambassadors:
 Steven S and Harley L (Y4)
 Lucas G and Lorelai B (Y5)
 Isabella M and Logan W (Y6)
 Leon H and Lucie B (Y6)

We are so proud of these children and can't wait to see them promoting maths throughout the school.
