Lesson 11: We Are All Unique Supplementary Activities

Pre-school:

My Special Picture

With support, create a picture/collage showing all the things that make you special. You can draw or stick in pictures of things that are special to you. See **Appendix A** for a template.

Age 4-7:

Self-Portrait

Draw a self-portrait and write “I am special because...” around the outside. Alternatively, children could use the template in **Appendix A**. Take inspiration from Frida Khalo. What makes you unique? What are your favourite things? Who/what is important to you?

Age 7-11:

My Unique Family

Write a biography or create a play about your family. Identify what makes your family and family members unique. See **Appendix B** for a plan/storyboard.
