This Week's Highlights

- In Nursery this week we have listened to the story "Can't you sleep little bear?" and talked about bedtime routines, we explored a variety of lights and made stained glass windows. The children were amazed at the 'rainbows' that were created on the floor when the sun shone through the windows!
- In Reception we have been learning more about the long nights that start in Autumn. We learned what night is and used the stars and moon for inspiration for our art and investigation activities.
- Year 1 have become artists this week and have been inspired by the works of Jaume Plensa (Who designed The Dream) and Amedeo Modigliani to look at mark making and facial features. They will use this inspiration to create their own portraits next week!
- Year 2 have amazed us all this week with the fabulous letters they wrote to Omar. They also really enjoyed spreading a little kindness around the class with cards they made for a 'secret friend' and will be continuing their kindness mission at home!
- We are so proud of all our Year 3's this week for working so hard on their maths assessments. We have also enjoyed continuing our history topic about Liverpool, looking at trade in and out of the city.
- Year 4 have been fantastic this week, working hard on their Reading, Maths and SPAG assessments-well done! We have also enjoyed learning about the Central American countries where the Ancient Maya regions were located.
- Year 5 have shown each and every one of our values this week, whilst completing their assessments. They have worked extremely hard and we are so proud of them. Well done Year 5!

Thank you!!!

Today, thanks to your kind donations, we managed to raise £220. This will be added to the collection for our Allanson Street Gift Collection! Thank you so much for your generosity – it's so appreciated!

CONGRATULATIONS!

3

Mom put 25 candy
canes on the
Christmas tree.
Ben ate four, and
Callie ate three.
How many candy
canes are left on
the tree?
