

Addition and Subtraction

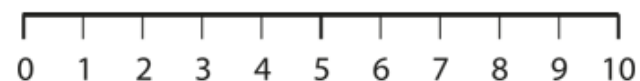

I can add / subtract a one-digit number to/from a 2 digit number.

Can you record the answer to each calculation?

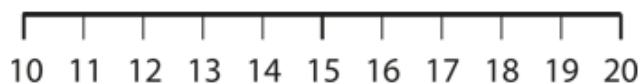

Can you show your thinking on the number line?

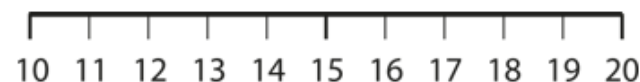

$5 + 4 = \dots\dots\dots$

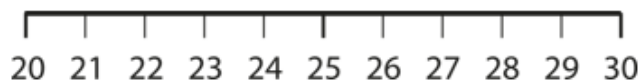

$9 - 3 = \dots\dots\dots$

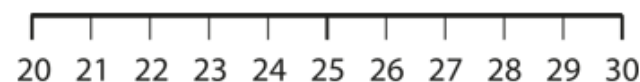

$15 + 4 = \dots\dots\dots$

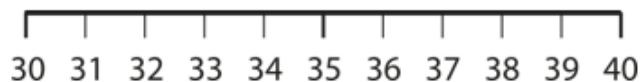

$19 - 3 = \dots\dots\dots$

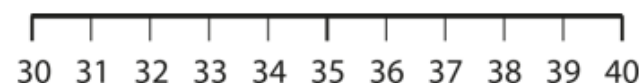

$25 + 4 = \dots\dots\dots$

$29 - 3 = \dots\dots\dots$

$35 + 4 = \dots\dots\dots$

$39 - 3 = \dots\dots\dots$
