Maths Homework

I can add and subtract tens to / from a 2 digit number.

Remember – use your fingers to help you and your bonds within 10.

If 6 + 2 = 8   then   61 + 20 = 81   If   7 – 5 = 2   then   73 – 50 = 23

60 - 20=	72 + 10=	44 + 10=
37 + 30=	80 - 20=	40 + 30=
56 - 20=	42 + 40=	65 + 30=
78 - 10=	23 + 30=	67 - 20=

**Underline the tens number if that helps you
