This Week's Highlights

- We are so proud of the Nursery children this week, they have worked really hard and performed their songs with lots of actions and smiles for the recording.
- There's been another busy week full of Christmas fun in Reception starting with the story "Jesus' Christmas party" on Monday and finishing with wonderful dress rehearsals today!
- Year 1 have blown our socks off this week with their learning. They also made us super proud during their nativity performance!! We also had another festive visit but this time from some CHEEKY ELVES! Well done boys and girls.
- Year 2 have been dancing and singing their hearts out this week preparing for our nativity, which we filmed yesterday. We are so proud of how well they performed and respected each other whilst doing so. We cannot wait to share it with you!
- Year 3 did a terrific job at performing their Christmas songs – we can't wait to share the performance with you online next week!
- Year 4 have enjoyed a creative week as we have put our art and design skills to the test by perfecting the new techniques we have learned when using clay and creating/painting our own Maya masks-we can't wait for you to see the finished results!
- Year 5 have been working really hard on their playscripts this week. Mr. Regan's class have been exceptional this week with their attitude to their remote learning. We were very lucky to have a 'Christmas Quiz' where both classes were able to join in online!
- Year 6 have had an amazing week, this week. They have loved performing for the Candlelit video and can't wait for you all to see it. They have also enjoyed making decorations to send to the residents of Parr Nursing Home.

Out of School Achievements

Whilst this section of our newsletter is usually dedicated to 'out of school' achievements, this week I feel it would be completely remiss of me not to say a huge well done to every single Allanson Street child.

In school, every child has created a beautiful handmade gift for one of the residents in Parr Nursing Home (I'm sure these will be shared on Dojo).

Out of school, Y5AR have continued to make us proud with their attitude to their remote learning.

Well done children! We are very proud of you!

Please remember to check Dojo posts and messages daily
