

Children - Computer Safety Rules

I promise that :

•I will show respect and kindness to all my friends and teachers during my video lessons.

•I will 'mute' my microphone when I come on screen.

•I will ask my adult to wave at the camera during the register.

•I will press the 'hands up' icon if I have a question to ask.

•I will 'unmute' when my teacher asks me to share my ideas.

•I will try my best to concentrate on the screen for the whole session.

•I know that all my video lessons are recorded by the teacher.

•I will not take screen shots or photos of the screen.

Part Whole Model

For each of the following questions I would like you to draw the calculation using the Tens and Ones place value grid and the part whole model. Watch Miss Knowles' video on the Remote Learning website to help you!

Questions:

- $224 \times 3 = 672$
- $316 \times 3 = 948$
- $753 \times 4 = 3,012$
- $4 \times 540 = 2,160$
- $5 \times 413 = 2,065$
