

Maths - Friday 5th March

For today's maths lesson, we would like as many of you as possible to spend 30 minutes on MathsWhizz.

To get on to MathsWhizz go to:

www.whizz.com

Log in with your username and password. If you don't know your username or password, ask an adult to message Miss Halligan and she will send them to you straight away.

If you complete 30 minutes on MathsWhizz or achieve 3 progressions, you will earn 1 dojo

Good luck Maths Wizards!
