This Week's Highlights

- Nursery children had a wonderful time visiting Acorn Venture Farm. We were very impressed and proud with their behaviour and recall of how to keep safe on a trip. They were amazing doing the 'Race for life', I wish that I had their energy!! The children were proud to receive their medals.
- Reception children have had a lovely week following on from our fantastic trip last Friday. We have also enjoyed being authors and altering the story to describe some troublesome neighbours of our own.
- Year 1 have planted their own sunflower seeds and some have already sprouted shoots! They've been finding out lots more information about plants, including what their parts are and what they do. They have been using this knowledge to help them write instructions in English on how to plant seeds, and what they need to help them grow.
- Year 2 have been busy finding out lots more about the Seaside and using lots of geographical vocabulary to describe the resort they chose to research. They used all their knowledge to create fabulous Tourist Information leaflets. Yesterday was lots of fun completing our Race for Life and we are all so incredibly proud of all the children!
- Year 3 have really enjoyed our topic work about the Great Fire of London and have discovered some interesting facts. They ran their socks off yesterday in our Race for Life and we are incredibly proud of all the children!
- Year 4 have produced some fabulous artwork this week as we have all thoroughly enjoyed delving into our new 'Power' topic which began with a focus on the Roman invasion of England. The children have enjoyed researching Roman life and learning about the things the Romans left behind for us. We all also completed a fantastic 'Race For Life' in the rain this morning-well done Year 4 you made us all so proud!
- Year 5 have thoroughly enjoyed starting our new English topic, focusing on the Titanic this week! The children have worked so hard to complete their own research, which has allowed them to create some brilliant pieces of work!
- Year 6 have enjoyed more of our rehearsals this week; our dances are coming together so beautifully! We have also worked hard to produce some amazing descriptions in English and shown our mature and sensible attitudes when working in PSHE. The children have also displayed such wonderful values and qualities when taking part in the Race for Life.
