This Week's Highlights

- In Nursery this week the children have listened to the story "The Colour Monster", we talked about different feelings and they practised making happy, sad, angry and frightened faces.
- Reception have welcomed the final group of children this week. We have been getting to know our new friends and exploring our learning environment.
- Year 1 have been exploring different emotions and feelings using the story Ravi's Roar. We also talked about ways to overcome emotions such as anger, sadness and feeling upset or nervous.
- Year 2 have started our topic this week "What a Wonderful World", we have enjoyed revisiting our year 1 knowledge of the UK and the landmarks of St. Helens. We have also started to look at the story "The Queen's handbag" in our English work and have been very impressed with how good the children have become at recognising nouns and proper nouns!
- Year 3 have worked so hard in English this week, writing a prequel to the story 'The Dot', we have been so impressed with the care the children are taking with their handwriting! We have also loved starting our new science topic all about light.
- Year 4 have enjoyed creating their own explanation texts about how everyday household appliances work based on our fabulous book 'Until I Met Dudley'. Keep a look out on Dojo for some examples, we have some work to be really proud of! It has also been lovely to see so many children so keen to engage with our sports clubs-remember anybody interested in attending after school dance needs to return their letter ASAP!
- Year 5 have enjoyed creating their own Iguana artwork out of oil pastels with Mrs Rooney in preparation for our next English text: 'I Wanna Iguana'. Additionally, they have enjoyed finishing their poems about 'What do you want to be?'. Keep an eye on Class Dojo as some children have recorded their own poem to share with adults at home!
- Year 6 have had the best time learning sign language. We learned how to sign colours and even learned how to sign a George Ezra song. We're looking forward to our next lesson, next week.

Problem of the Week

Who will win this week's challenge? Please DOJO your child's class teacher with answers! A winner will be selected from all correct names and a prize given out on Friday.

I'm curious...

Only moving ONE counter,
can you rearrange the groups
from 1,2,3,4 counters
to 4,3,2,1 counters?

Colours can be mixed
