This Week's Highlights

- Nursery children have learned about the Easter story and why Easter is celebrated by Christians. The children have enjoyed hunting for eggs today and playing the bingo. Unfortunately, the chrysalides have not hatched yet so Mrs Ratcliffe will be looking after them and filming their release in the holidays.
- The children in Reception have been learning about the celebration of Easter. We learnt how Christians believe that Jesus died and rose again. The children also enjoyed making Easter baskets, chocolate nest cakes and completing an egg hunt.
- Year 1 have started our brand-new geography focus topic this week built around the Arctic. We'll be comparing native animals to this region with wildlife native to the UK.
- Year 2 have worked hard putting together their fact files about their chosen animals in English, added and subtracted two 2 digit numbers in maths and enjoyed learning how to make curry and naan bread in a cooking workshop yesterday!
- Year 3 really enjoyed our trip to Liverpool yesterday. We were amazed by all the titanic artefacts in the Maritime Museum and loved our Mersey river cruise on the Razzle Dazzle Ferry!
- Year 4 have enjoyed their last week of forest school this week. This has been a wonderful experience for the children and it has been so lovely to hear both children and adults express such enthusiasm for being outdoors and the host of benefits this brings. Don't worry Year 4, you will have another turn in Year 5 next year!
- Year 5 have been looking at punctuating speech, developing further mastery of division, and have amazed us with their knowledge about Ancient Egyptians. The children really enjoyed the drama workshop and showed great expression throughout the session.
- Year 6 really enjoyed their drama workshop and we really do have some budding actors and actresses. They have all worked so hard this term and it is lovely to see them continue with their enthusiasm for learning and wanting to complete their challenges.

Our value for April is Integrity and our Skill is Leadership
