8th December 2022

Our value this month is:

## Courage

### Reading

Please make sure you listen to your child read at least 3 times a week and record this in their reading records.

For those children not yet bringing a reading book home, please make sure you are reading to them as frequently as possible.

## This Week's Highlights

In **Nursery** we have continued to prepare for Christmas. The children have been busy with making their Christmas cards for you and having a special photograph for their calendar. They have helped the elves to decide which characters would go onto Santa's list depending on the "behaviour" that was written on the scenario card.

This week in **Reception**, we been working hard to practise our Nativity, we've continued to learn songs and dance moves. We also had a fantastic time at Chester Zoo, the children were so well behaved and really represented our school brilliantly. The children showed great courage during our visit as we quietly crept through the bat cave.

This week in **Year 1** we performed for our parents and carers during our Christmas Sing Along. We worked hard to practise the songs and dances, and our parents and carers were super proud! The grown ups in school were also proud of our confidence to stand up on stage. Well done!

**Year 2** have had an amazing week performing their Nativity play. Their dress rehearsal was enjoyed by Y1 and all our junior children earlier in the week and we couldn't be any prouder of how hard they have tried. They all showed such courage stepping on to the stage, resilience practising their lines, songs and dances and we are all beaming with pride at how well they did! Fantastic Year 2!

This week in **Year 3** we have completed our stories about Edgar the Excitable Dragon – we have used some really impressive vocabulary! We also had a wonderful day at the Zoo, making our teachers very proud in the way we behaved with great respect and kindness towards the animals and each other.

This week, **Year 4** have enjoyed a Maths challenge set by our elves, watching a wonderful performance by Year 2 and working very hard to practise the DT skills needed to create our own Christmas decorations. We had a fantastic time at Chester Zoo and were so proud of the way our children behaved and represented our school-well done Year 4!

This week, **Year 5** have enjoyed continuing to learn new Cricket skills in PE. Coach has been really impressed with their bowling and catching skill and how they have progressed from week 1! What a wonderful time we had as the zoo on Wednesday. The children were a pleasure, representing our school perfectly showing kindness, respect and integrity! Well done Y5.

This week, **Year 6** have enjoyed so many things. We've watched Y2 perform their amazing nativity and we all thought it was fantastic! The trip to Chester Zoo, on Wednesday, was great and everybody had a fabulous day. In science, the children have investigated how a balanced diet and exercise is good for our heart and in history, have learned about why the NHS was created.
